

Summer Task July 2024

SUBJECT: Photography

This is an opportunity to have some fun and show your skills and creativity. We would like you to complete all of the tasks, which will feed into your A-Level portfolio, you must show consideration and presentation skills expected at A-Level standard and will be required to have with you on the first day to present to the class.

Practical sketchbook work:

The following tasks need to fit in with your theme and artist research.

Photography summer task

'Spaces Around Us'

1. During the Summer Holiday take 30-40 images documenting the SPACE around you.

This could be on a day trip, a holiday abroad or simply the street you live on.

Consider composition, light and how the images will fit together.

2. Complete a page of artist research- For Inspiration look at artists such as **Todd Hido, John Gossage or Rinko Kawauchi.**

3. Analyse your favourite images (3-5) and present the final images and your work in your sketchbook PP or Google slides.
