

Message from Mr Johnson

I hope you are all feeling festive and looking forward to the Christmas break. Although November has been wet and cold, I definitely sense the Christmas spirit is with us now! As ever, the second part of the Autumn term is one of the most productive of the year. It is good to pause and reflect on the significant achievements this term. First and foremost, our students from all year groups have been working hard in lessons and learning so much. Furthermore, so many students have been taking part and enjoying our exemplary extra-curricular programme.

The Art exhibition, held over several weeks at the Guildhall, showcased the outstanding work of our GCSE and A level students. I was incredibly proud to show the Mayor of King's Lynn, Paul Bland (also a long serving Springwood Governor) around the exhibition to see the high quality work produced. Conversely, the STEM Christmas lectures provided an opportunity for students interested in the world of Science, Technology, Engineering and Mathematics to hear first hand the exciting and diverse career opportunities available in these areas too.

It was a privilege to meet and talk with year 7, 8, 9 & 10 parents at the tutor evenings this term. The feedback I received was incredibly positive indeed. Our tutors and year leaders work tirelessly to support your children and it is great to see that this is appreciated by parents.

Every year we remember those who have defended our freedom on Remembrance Day. Our year 7 students showed great maturity in paying their respects, and in how they conducted themselves during the outdoor service. It was wonderful to see all of our students involved in any form of uniformed service wearing their uniforms for the day and taking part in the parade.

Similarly, I attended the Air Cadets annual award ceremony at the Town Hall where many of our students enjoy the excellent opportunities provided.

As I write this, I have both the Trust Carol Concert and the Springwood Christmas concert to look forward to. As ever I am sure that all those who attend will have a fantastically festive experience. I wish you all a very Merry Christmas and a prosperous New Year!

Best wishes.
Mr Johnson

Message from Head of Year

Before I reflect on what has been one of our busiest terms to date, I would like to offer a big Merry Christmas to all of our Year 8 parents and wider community. This term is notoriously one of the longest and most tiring, but I am so impressed with how well the Year group have engaged, and thrown themselves into all of the wonderful events and opportunities that have presented themselves over the last 2 months.

In my Christmas assembly, I spoke to all of the students about the things that have made me proud of my Year group this term – there were so many! I asked teachers of Year 8 to feedback all the positives, and I was overwhelmed by the responses. I had reports ranging from amazing reading in English lessons, to wonderful acts of kindness from some of our students. It was a lovely assembly to end the Year, and I thoroughly enjoyed randomly selecting 8 of our students mentioned to receive prizes. The students also loved seeing their embarrassing pictures on display – so a big thank you to the many parents that sent them in.

I hope you enjoy looking through this edition of the Newsletter. We have got pictures and information about; An educational assembly on racism delivered by PC James Smith; a Find My Futures event at Norwich for some of our STEM students; a Planetarium display; a Stop the Clock Assembly; the Christmas Craft Fayre; our new Year Council members; a STEM lecture; a Remembrance Assembly; and finally, our wonderful Sparx winner (take a breath!). On top of all this, there have been many other amazing things happening, in which students are showing their dedication, hard work and positive attitude to the ethos of the school. I know I say it in every newsletter, but I really am so proud of them!

You may have read in the last Newsletter about the launch of our 'ENDEAVOUR' programme. Endeavour lays out a series of challenges for students to achieve across the year, centred around a number of things such as; reading, extra-curricular clubs, fundraising, presenting, as well as a few other things. I am pleased to see this is now well under way, with a number of students already hitting the gold criteria in certain areas, most notably, Lilianna and Neave who did their very own bake sale and raised an impressive £82 for the Little Princess Trust. Well done girls!

Once again, I would like to wish you all a Merry Christmas, and a Happy New Year. Please enjoy some time with your family, and some well-deserved rest if you can. I look forward to seeing the children back on the 7th of January.

Many thanks

Mr Denton and Mrs Kempton

Attendance Message

Attendance Matters - Winter 2024

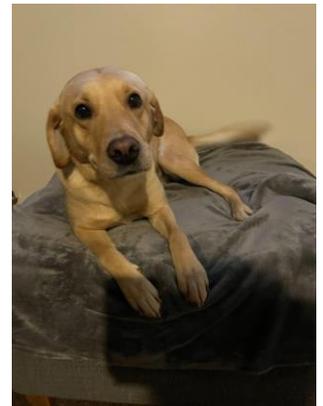

We have had another good half term with attendance in year groups across the school. A number of students have also been involved with attendance challenges this term and we are delighted to see so many successes with children improving their attendance. In addition to this over 440 students still have 100% attendance, with many more just having a single day or session off this term. For attendance purposes your child needs to be in school at 08:50 and 13:25 to collect their morning and afternoon registrations respectively, so if you do have to take your child for a medical appointment, please try to work around these times if at all possible.

With the onset of Winter, we are now seeing a rise in students off school with bugs. If they have a high temperature or sickness then please keep them at home until it has returned to normal. For colds, your child can attend school. If you need to send in any paracetamol or other medication, please leave this with the year office - the year manager will contact you before any medication is given to your child.

Finally, we would like to introduce you to Wren, our newest member of the attendance team. She will be visiting the school on certain days from January to support students in well-being and attendance. Students may be invited to spend time with her.

We realise that some students may not wish to meet her, for whatever reason. If you would not like your child to meet with Wren, please complete the following form electronically:

https://docs.google.com/forms/d/e/1FAIpQLSdM1iwo9aXA-TvOkFhxV2wLoaYJum79yRud6oXggmegmsUK7Q/viewform?usp=sf_link

We hope you have an enjoyable holiday and look forward to seeing everyone again on Tuesday 7th January 2025.

PC James Smith Assembly

PC James Smith continued all the wonderful work he does at Springwood, by delivering an assembly to help educate students on the use of racist language, amongst other protected characteristics. The Year group engaged so well and had some really thoughtful questions.

Find my Futures Trip

12 of our high achieving students took the amazing opportunity to attend a Find my Futures event at the UEA, where they engaged with some inspiring employers from the world of Science, Technology, Engineering, and Maths.

Planetarium Day

Every student in Year 8 got an insight into the world of space, with a company delivering a Planetarium day. The technology was awe-inspiring and our students were amazed to learn about just how vast our universe is!

Stop the Clock Assembly

Mr Johnson delivered a really important Stop the Clock assembly to Year 8, as well as other year groups, highlighting the importance of kindness.

Christmas Fayre

Members of our amazing Year 8 council worked together to put on 2 stalls at the Springwood Christmas Craft Fayre, helping to raise money for the PTFA.

We had a face painting stall and a 'guess the amount baubles in the jar' stall.

Year Council

Pictured above are the new members of the Year 8 Council, just after they received their Year Council badges.

STEM Lecture

We were delighted to again have students attend our annual STEM Christmas lecture to hear about the diverse range of careers and opportunities in STEM. This year we were very fortunate to have speakers in the fields of ecology and chemical engineering. We would like to give a massive thank you to Martin Tooley and Tom Parks for joining us. The lectures were for all students from Yr7-Yr13 and their parents. With nearly 100 people in attendance it was a wonderful evening.

“I had the great opportunity of attending the STEM lectures on the 3rd December. The two lecturers had established careers in chemical engineering and conservation. Both gave incredibly in-depth talks about their respective fields. Each one of their topics had its feet in the GCSE and A-level courses, this allowed a great introduction to these sciences and careers available to the vast amount of students who attended.” - Jaxon W

Y8 Remembrance Assembly

Back in November, History teacher Miss Smith presented a really informative assembly about Remembrance to Year 8. Once again, the Year group engaged so well and asked some thoughtful questions.

Reading Celebration

A few pictures of some our award winners from our end of term reading celebration. These students have exciting futures ahead of them!

Aiming for Excellence

Pictured here are a selection of students who are part of our 'Aiming for Excellence' programme.

These students have been set a number of tasks to complete over the course of the year. We held our first check in with these students and Mr Denton and members of the Senior Leadership Team were overwhelmed by the high standard of work already completed, including book reports, essays about the Holocaust, the Suffragette movement, and population growth.

West Norfolk Schools Speaking Competition

A huge congratulations to Eleanor, who was part of a team of 3 who went to the West Norfolk Schools Speaking competitions. The Springwood team went on to be overall winners! Mrs Clarke said "Awesome speaker: she did everything she could to ensure her speech was well-constructed, and she delivered it beautifully." Well done Eleanor!

Y8 Christmas Disco

We had our Y8 Christmas Disco on Wednesday 18th December. It was a great night and we raised over £500 for the PTFA!
A BIG thank you to all the students that came along.
